

2022
Scholarship Application
United Brotherhood of Carpenters
and Joiners of America

Carpenters Local 326 Scholarship Fund

This scholarship is made available through the efforts of Carpenter Union members. It is offered to encourage and assist young men and women who might otherwise be unable to continue their education. We hope that the education obtained with the help of this scholarship will benefit both the individual recipients – and through them the working people of Connecticut.

Eligibility

To be eligible for this scholarship the student must be a graduating high school senior, the son, daughter or ward of a member of Carpenters Local Union 326 and the student's parent/guardian must be a member in good standing for the past 2 years and continue in good standing through the final award. Children of members who died within five years prior to January 1, 2022 are eligible provided the member was in good standing at the time of passing. The scholarship will be awarded considering the following factors:

Scholastic Ability,
Financial need,
Character,
Promise of profit from higher education.

Applications will be reviewed by the scholarship committee members. The most deserving, under the qualification set forth above, as judged by the panel, will be awarded the scholarship. Please return by 4 PM on April 22, 2022 (**Request original high school grade transcript now showing grades through Fall Semester 2021**). Late applications will be ineligible for any award. If, for any reason, the winner should decide not to continue higher education, the next choice of the judges will be awarded the scholarship.

Families of members who are employed by Carpenters Local 326 or the North Atlantic States Regional Council of Carpenters are not eligible. Scholarship awards must be used by grantees to pay for the cost of attending college. Grantees must be attending college with the intent of graduating with a bachelor's or associate's degree. Grantees will be required to allow the Trustees to investigate the use of the awards and provide the necessary documentation to conduct their investigation. If the Trustees grant a multiple-year scholarship award, the grantee will be required to report academic progress yearly to the Trustees along with reconfirming the applicant's financial need. Providing such information will be a requirement of receiving any further award installment. Scholarship Director's have final decision in all rules, eligibility, amount of awards, number of awards and any other scholarship decisions. The Carpenters Local 326 Scholarship Fund is also known as the New England Regional Council of Carpenters Connecticut Scholarship Corp.

To be filled-out by the applicant (please print).

Student's name _____ Date of Birth _____

Street _____ City _____ State _____ Zip _____

Home number (_____) Cell _____
